Just as it reached wher mother, Mrs Elizabeth the summit, at a skidway, two of the met, known as truckers, who Andrew Price on the beach as load and unload the logs, stepped special judge. Appeals were allowoff to the side of the track to get a couple of "spiked skids." The engine was going very slowly. William Addleman was beside the boiler and Henry Harding some Praying for a reduction in their

twenty feet in front of the engine. pleded. Mr Addleman was thrown a distance of one hundred feet, across a little bill. When found he was literally cooked, except his feet and head. He was lying on his back, his right leg forn off above the knee and lying on his breast. His left leg was also broken. All the ribs were torn from the back bone, breast bone skull broken in. In this condition he lived probably an hour

and a half. The skid Mr Addleman held was of spruce something like 4x6 inches: this was broken in three pieces one being found on a special course of study at where the body was thrown. Mr Addleman came here from Harter about a year ago. He was an Providence permitting the fun- inofiensive, good man and a hard of little Lynne son of Mr and worker. He leaves a wife an F. H. Dever will be preached five children. His body, accom It Zion church on Aug 12 panied by his wife, was taken to Farmville, Va., his former home, for burial the morning after the

> Henry Harding, though serious ly injured, is considered to be i a way to get well. He was bruised and mashed about the head and body and badly scalded. They think he will lose at least one his eyes, though the doctors ar not sure as he is so badly swollen about the head it is impossible to tell the extent of his injuries. He is at the Cass Hospital.

Oliver Spacht, the engineer, was in the cab when the explosion ecurred. He was blown out and eceived consideracle injury in the way of bruises, but is in a fair way to recover. He is able to get round a little.

Perry Shalter was sitting on the pilot of the engine, under the boier head. Barring a bad scalding was not hurt. He is laid up,

Thomas Moore was on the draw head of the engine under the boiler head. He was thrown a considerable distance, and except for bad shaking up and a crippled knee is none the worse.

Theodore Hosterman was ahea of the engine two or three trucks away. He was thrown several yards by the force of the explosion, badly shaken, but not hurt. Allen Guiswite was on a truck

was not full. Lewisburg district, while embracing a territory in which ther s not a single city, is one of the argest districts of Baltimore Co. nce in point of membershi and wealth. Its gain in the pas few years has been remarkable and shows that the church is keep ing step with the ph velopment of the Greenbries Valley. The district has 22 charges 6, 413 members, 91 societies and 75 churches. At the last meeting

Rambert McNeer, E. C. Bare and of Baltimore Conference it was the only district to report its 59c. proportionate part of the foreign mission fund overpaid, and the prospect this year is that the domestic mission fund will be for \$1.98. in as gord condtion.

Especially was the report of the Marlinton charge favo and people are striving to d etter the coming season.

Methodism has ever strong hold in Pocahontas. Th first Methodist church in what now Pocahontas County, in the whole Valley was bu Pioneer John McNeel, in Levels. It was the White Church, erected shortly after Revolution, near the spot him est child was burned. This was born while the father we absent at the Battle of Poi Pleasent. It sickened and died. with her own hand the prepared the little body for and put it in the grave.

Prior to 1818, no record to have been kept of the Metho Revs. C. S Stanton, E. Barber dist pastors which served the stragling flock in the wilds of the Greenbrier Valley, but the are many traditions of the ironsided itinerants who braved trails and Indians to bring the O Tolbert and H. Q. Burr and J. of glad tidings to cur sturdy p oper of Hunt- ade against attack of Indian. The detaits of their belief is proved by the tradition of Henrietta Sutton a sixteen year old girl who has allowed her hair to hang in ring lets on her shoulders. The pre siding elder was so shocked that for days they fasted and praye the other wise pure soul

> From 1818 to 1896 the authentic information to the affect hat twenty-eight pro Nearly half of this number have been within the pale of the M. R. Church South and have lab here since the year 1865.

It will not be denied that the shurch principally responsible for the type of piety that character izes the predominant element Pocahontas citizenship holdichurch affiliations is the Metho dist. We appreciate the work they have accomplished an are doing. We bid them God speed and hope they will som time again honor our town by meeting together within our gates,
